Except for the tent spaces for Artisan Square, all spaces are 8' with a small aisle in between for access. There are tables available on site if you choose to use them but they are 7' in length and heavy. Spaces will be clearly marked for you. We will do our very best to meet your space and power requests but sometimes that is not possible.

We take cash, check or M/O. Payable to the Kamloops Heritage Society. Envelopes with payment can be dropped in our mail slot at the top of the handicap ramp on the west side of the building, Mon thru Saturdays. If my car is at the back door, love to see you. Just knock and I will answer. Artisan Square goes, rain or shine. Prepayment for Art Sq gets you the best spots.
